TIMBER FSC® STRATEGY

The Forest Stewardship Council® (FSC) is an international, non-profit association whose membership includes environmental and social groups and progressive forestry and wood retail companies working in partnership to improve forest management worldwide

- FSC accredited certification means that the forest of origin has been independently inspected and evaluated according to environmental, social and economic principles and criteria agreed by the FSC
- High profile retail supporters of the FSC strategy include Home Depot, Lowes, Costco and B&Q in the USA, Kingfisher in the UK and Bunnings nationally in Australia
- Once accredited with a Chain of Custody (COC) certificate, we will feature The FSC logo on product and in promotional material.
