Region	Sales (A\$ Million)	Change on FY13	EBITDA (US\$ Million)	Change on FY13	EBITDA /Sales %
Australia/New Zealand	\$79.9	+4%	\$1.7	-73%	2.1%

- Margins declined due to higher raw material and supply chain costs, weaker Australian dollar and change in sales mix
- Restructuring, ERP system implementation challenges and acquisition integration affected earnings
- Considerable progress was made in the Australian transformation
