4. PERFORMANCE RIGHTS SHARE PLAN

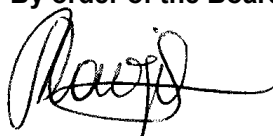

Resolution 3	Approval of Performance Rights Share Plan										
<p>Explanation</p>	<p>ASX Listing Rule 7.1 provides that a company may not issue Equity Securities, or agree to issue Equity Securities, without the approval of shareholders, if the number of Equity Securities to be issued in any 12 month period (including shares issued on the exercise of any options) exceeds 15% of the issued capital of the company preceding the issue.</p> <p>ASX Listing Rule 7.2 contains a number of exceptions to the prohibition contained in ASX Listing Rule 7.1. In particular, under Exception 9 in ASX Listing Rule 7.2, any Equity Securities issued under an employee incentive scheme within three years of the date on which shareholders approve the issue of those Equity Securities are not counted for the purposes of ASX Listing Rule 7.1. Resolution 3 is designed to satisfy the requirements of Exception 9 in ASX Listing Rule 7.2 in relation to the Performance Rights Share Plan (the Plan).</p> <p>The Plan is designed as a standard component of senior executive remuneration and is intended to comprise the long term incentive component of remuneration for senior executives, including executive directors. Accordingly, performance rights under the Plan will be granted at no cost.</p> <p>Other than the Plan, the Company has no other employee or executive share based plans.</p> <p>Grants made under the Plan are subject to a performance period (usually set at three years) and performance rights will only vest if the relevant performance conditions are satisfied at the end of the relevant assessment period. The Plan has generally been designed to link rewards to eligible senior executives with improvements in Company performance and the delivery of returns to shareholders, and for other executives, to reward their performance.</p> <p>Since the Plan was last approved by shareholders at the Company's Annual General Meeting on 26 October 2012, the Company has as at the date of this notice issued 9,615,965 performance rights to 24 senior executives in the Company of which:</p> <ul style="list-style-type: none"> a) Nil have vested; b) 4,610,560 have lapsed due to performance conditions not being met, such conditions including continuation of employment; and c) 5,005,405 are currently on issue. <p>A summary of the key terms of the Plan is set out below:</p> <table border="1" data-bbox="469 1473 1430 2047"> <tbody> <tr> <td data-bbox="469 1473 756 1554">Eligibility</td> <td data-bbox="756 1473 1430 1554">Executives of the Company as determined by the Board.</td> </tr> <tr> <td data-bbox="469 1554 756 1727">Form of grant</td> <td data-bbox="756 1554 1430 1727">Performance rights, being a right to acquire fully paid ordinary shares in the Company subject to satisfaction of relevant performance conditions. Participation	Eligible executives may be invited by the Board to participate in the Plan.										
Maximum Number of Performance Rights	The aggregate number of performance rights to be issued under the Plan is limited to no more than 5% of the total number of shares on issue at that time.										
Performance conditions	The Board has discretion under the Plan Rules to set performance conditions which will apply to a grant of performance rights. The relevant performance conditions may vary between grants.										

Grant price	Although the Board has the discretion under the Plan to set a grant price, it is intended that performance rights will be granted at no cost to the participating executive (on the basis that the grant comprises part of the executive's remuneration).
Vesting and exercise price	There is no exercise price for performance rights, once relevant performance conditions are met, the performance rights vest and the executive may call for the underlying Performance Shares to be issued to them.

Cessation of employment	<p>If the executive ceases to be employed by a group company due to death, disability, bona fide redundancy or other reason with the approval of the Board:</p> <ul style="list-style-type: none"> ▪ the Board has the discretion to determine that some or all of the executive's unvested performance rights will vest; and ▪ if the Board does not make a determination, or determines that only some of the executive's performance rights will vest, then all remaining unvested performance rights will lapse. <p>If the executive ceases to be employed for any other reason the executive's unvested performance rights will lapse.</p> <p>If the executive acts fraudulently or dishonestly or is in breach of his or her obligations to any group company, the Board may deem any unvested performance rights of the executive to have lapsed, and deem all or any Performance Shares held by the executive to be forfeited.</p>
Takeover/scheme of arrangement	In the event of a takeover bid or scheme of arrangement in respect of the Company, the Board has discretion to determine that some or all of an executive's performance rights vest, having regard to pro rata performance against the relevant performance conditions.
Bonus issues, rights issues and reconstruction	If shares are issued pro rata to the Company's shareholders generally by way of bonus issue or rights issue or any reorganisation of the issued capital of the Company is effected, the number of performance rights to which an executive is entitled will be adjusted by the Board to ensure that no advantage or disadvantage accrues to the executive.

	Amendment to the Plan	Subject to the ASX Listing Rules and to specified restrictions in the Plan Rules, the Company may at any time by written instrument or by resolution of the Board, amend the Plan Rules or the terms of performance rights granted.
Board Recommendation	As Resolution 3 is in connection with the remuneration of KMP, the Board does not make any recommendation to shareholders in relation to this Resolution 3.	
Chairman's available proxies	The Chairman of the Meeting intends to vote all available proxies in favour of this Resolution 3.	

Resolution 4	Approval for Mr Nick Pritchard to participate in Performance Rights Share Plan
Description	Resolution 4 seeks shareholder approval for the issue of performance rights to Mr Nick Pritchard, the Company's Group Managing Director under the Company's existing Performance Rights Share Plan.
Listing Rules	<p>Under ASX Listing Rule 10.14, the Company requires shareholder approval to issue Equity Securities to a Director of the Company. Accordingly, Resolution 4 seeks shareholder approval for the Company to issue securities under the Performance Rights Share Plan to the Group Managing Director of the Company, over the next three years (in accordance with ASX Listing Rule 10.15A.9).</p> <p>Exception 14 in ASX Listing Rule 7.2 provides that ASX Listing Rule 7.1 does not apply where shareholder approval for an issue of securities is obtained under ASX Listing Rule 10.14. This means that, if shareholder approval is obtained for Resolution 4, approval is not required for the purposes of ASX Listing Rule 7.1.</p>
Corporations Act	<p>Chapter 2E of the Corporations Act regulates the provision of financial benefits to related parties of a public company. Section 208 of the Corporations Act prohibits a public company giving a financial benefit to a related party unless one of a number of exceptions applies or shareholder approval is obtained.</p> <p>A "financial benefit" is defined in the Corporations Act in broad terms and expressly includes a public company issuing securities. The giving of a financial benefit to a related party of a public company is ordinarily prohibited by Chapter 2E of the Corporations Act. One exception to the general rule is where the benefit constitutes "reasonable remuneration" in respect of the duties and responsibilities of the related party in the management of the public company.</p> <p>The Directors consider that, though the grant of the performance rights to Mr Pritchard under the Plan constitutes the giving of a financial benefit to a related party of the Company, the granting of the performance rights does not require the approval of the shareholders in general meeting as it falls within the exception set out in section 211 of the Corporations Act, being that the benefit is remuneration to the Group Managing Director and is reasonable given both the Company's circumstances and the responsibilities involved in the office of the Group Managing Director.</p> <p>The following information is provided to shareholders to enable shareholders to consider the proposed allocation of performance rights to the Group Managing Director.</p> <p>The issuing of performance rights is a recognised practice in Australia as part of the remuneration of senior executives. If no performance rights were issued, the cash remuneration of the Group Managing Director may have to be increased. Issuing performance rights is accordingly considered a preferable alternative as the recipient benefits if the Company's earnings per share increase (in which case</p>

	<p>all shareholders benefit). If however the Company's earnings per share do not exceed predetermined growth targets during the assessment period, the performance rights are of no benefit and will lapse. This part of the Group Managing Director's remuneration is therefore directly related to the longer-term improved performance of the Company.</p> <p>Mr Pritchard's current remuneration comprises a base remuneration package of \$462,000 per annum, plus variable performance incentives as follows:</p> <ul style="list-style-type: none"> a) maximum cash bonus of 50% of his base remuneration package providing the Company achieves or exceeds pre-determined financial targets; and b) participation in the current Performance Rights Share Plan as further detailed below.
<p>Information to shareholders</p>	<p>For the purposes of the approval sought under ASX Listing Rule 10.14 and in accordance with the requirements of ASX Listing Rule 10.15A and for all other purposes, the following information is provided to shareholders in respect of the proposed grant of performance rights to the Group Managing Director under the Plan.</p> <p>Number of performance rights</p> <p>Approval is being sought for the grant of performance rights to Mr Pritchard during the three years following the date of the Meeting.</p> <p>The exact number of performance rights that will be granted to Mr Pritchard during the three years after the Meeting cannot be calculated as at the date of this Notice as it depends upon the future price of the Company's shares and Mr Pritchard's base remuneration level at future dates, as further described below.</p> <p>If this resolution is passed the Company will grant Mr Pritchard, on an annual basis in accordance with the Plan, such number of performance rights (rounded to the nearest thousand) as is equivalent to 50% of Mr Pritchard's annual base remuneration package, as follows:</p> <ol style="list-style-type: none"> 1. The number of Performance Rights to be granted in 2016 has been calculated to be 578,000. This number has been determined by dividing 50% of Mr Pritchard's annual base remuneration package as at the date of the offer (i.e. \$462,000, 50% of which is \$231,000) by the closing price of the Company's shares on 30 August 2016 (i.e. \$0.40 per share) and rounding to the nearest thousand. 2. The number of performance rights to be granted in 2017, 2018 and 2019 will be calculated by applying the following formula on the date of issue: <ul style="list-style-type: none"> <li style="text-align: center;"> $\text{Number of performance rights} = \frac{50\% \times \text{Mr Pritchard's annual base remuneration package as at the date of issue}}{\text{VWAP of the Company's shares over 20 trading days ending at close of trade on the day which is 2 days before the date of offer}}$ <p>The number of performance rights to be granted to Mr Pritchard for the 2016 financial year will therefore be 578,000. As each performance right represents an entitlement to one ordinary share in the Company, the maximum number of shares which may be acquired by Mr Pritchard is equal to the number of performance rights issued (subject to certain changes in the Company's capital during the performance period – as noted in the summary of the terms of the Plan above).</p>

Whilst it is not currently possible to determine the exact number of performance rights to be granted to Mr Pritchard in 2017, 2018 and 2019, **the aggregate maximum number** of performance rights that will be granted to Mr Pritchard across the three years from the date of the Meeting (including the 578,000 to be granted in 2016) will be **9,868,315**. This maximum number is provided to shareholders for the purposes of ASX Listing Rule 10.15A.2, and is calculated by reference to:

1. The fact that the aggregate number of performance rights to be issued under the Plan is limited to no more than 5% of the total number of shares on issue at that time. As the Company currently has 297,474,396 shares on issue, the current Plan limit is 14,873,720 performance rights.
2. The 5,005,405 performance rights already on issue would result in the remaining balance available under the 5% capacity of the Plan being **9,868,315** (14,873,720 - 5,005,405 = 9,868,315).

Terms of performance rights

Performance rights will only vest if the relevant performance conditions are satisfied.

Each tranche of performance rights issued to Mr Pritchard pursuant to this resolution will relate to either the 2016, 2017, 2018 or 2019 financial year.

As stated above, it has been determined that **578,000** performance rights will be issued which pertain to 2016 financial year, in accordance with an offer of performance rights (conditional upon shareholder approval) which was made to Mr Pritchard on 15 September 2016 and which has been accepted by Mr Pritchard (**FY2016 Rights**).

The performance conditions for the FY2016 Rights are to be tested over the 2017, 2018 and 2019 financial years.

Separate tranches of performance rights are proposed to be issued to Mr Pritchard in the 2017, 2018 and 2019 financial years (**FY2017 Rights**, **FY2018 Rights**, and **FY2019 Rights** respectively). The performance conditions for the FY2017 Rights are to be tested over the 2018, 2019 and 2020 financial years; the performance conditions for the FY2018 Rights are to be tested over the 2019, 2020 and 2021 financial years; and the performance conditions for the FY2019 Rights are to be tested over the 2020, 2021 and 2022 financial years.

Each three year period over which a given tranche of performance rights will be tested shall be referred to in this Explanatory Memorandum as a "**Performance Period**".

The performance conditions will be based on achievement by the Company of a target based on average annual earnings per share growth and the Group Managing Director remaining in continuous employment with the Company for a period of two months after the relevant Performance Period ends. The objective of the performance conditions is to encourage improvement in the Company's performance within the specified timeframe.

The performance rights will vest in accordance with the following terms:

1. If the Company:
 - a) achieves an increase in the earnings per Share (**EPS**)* for each of the three years of the given Performance Period (e.g. for the FY2017 Rights, for each of the three years ending 30 June 2018, 30 June 2019 and 30 June 2020) (over the prior year in each case) such that the average of the 3 percentage increases (**Average EPS Growth Rate**) reaches a specified value (**Performance Hurdle**); and

- b) The Group Managing Director remains in continuous employment with the Company until 31 August of the final year of the given Performance Period;

a certain percentage of the number of performance rights issued will vest.

2. The number of performance rights that will vest will be determined proportionately on a straight line basis from zero performance rights vesting at +3.0% Average EPS Growth Rate, to 100% of performance rights vesting at +10.0% (or higher) Average EPS Growth Rate.

** Actual EPS will be normalised by the Board as considered necessary (at the Board's absolute discretion) so that it reflects underlying profit.*

3. Determination of the extent to which the performance conditions have been achieved will be made by the Board at the end of each year of the relevant Performance Period, based on the audited accounts of the Company.
4. Each Right will entitle Mr Pritchard to subscribe for one ordinary share subject to the rules governing the Plan.
5. The performance rights will be granted at nil issue price. Vested performance rights may be exercised at nil exercise price. No funds are expected to be raised by the issue or exercise of performance rights.
6. Whether or not all of the performance rights will vest (and, therefore, become exercisable) and the proportion of performance rights that become vested will depend on the Company achieving an increase in average earnings per share annual growth rate to a specified value.

Price of performance rights

No consideration will be payable for the grant of the performance rights under the Plan to Mr Pritchard, or for the issue of underlying shares upon vesting of the performance rights.

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

Appointment of Proxy

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.
